

# GIFT BOW

Start with a waterbomb base.

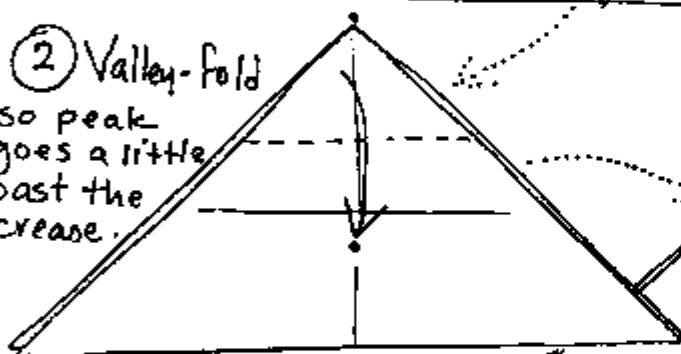

① Pre-crease in half.

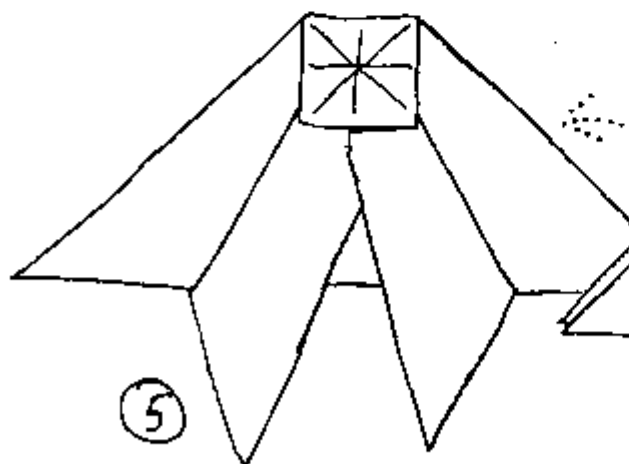

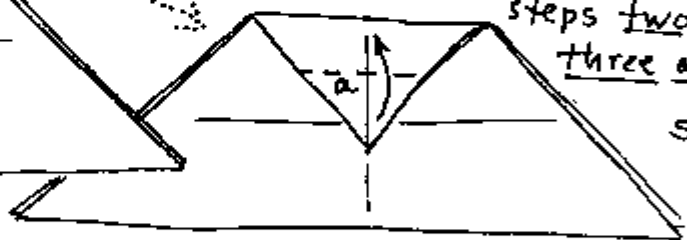

HEART BOW

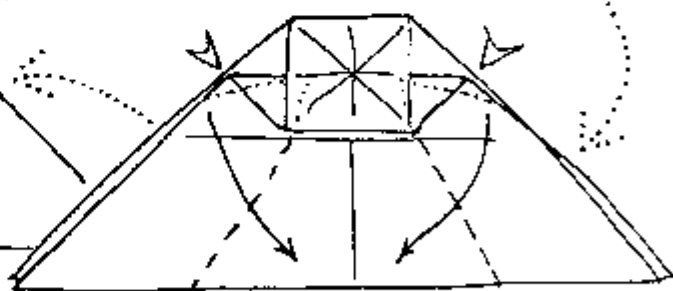

② Valley-fold  
so peak  
goes a little  
past the  
crease.

③ a) VF peak to new edge. Then unfold steps two and three a, and spread-squash

⑤ Flip model over.

④ Inside-reverse-fold near flaps, bringing edges over middle so flaps overlap each other.
